

# San Juan County Public Health Advisory Notice

Awaiting an EPA clearance as to the safety of the river water for human contact, until further notice the San Juan County Board of Health and the San Juan County Sheriff strongly advise the public refrain from contact with, and activity in, the waters of Cement Creek in its entirety, and those of the Animas River below the confluence of Cement Creek to the San Juan County line.

Ernie Kuhlman

Chairman of the San Juan County Board of Health

Bruce Conrad

San Juan County Sheriff
